

Angelina County Vision 2020
Quality of Life Foundation – Healthcare Strategy Committee Meeting
June 15, 2007

The Healthcare Strategy Committee of the Quality of Life Foundation met on June 15, 2007 at 9:00 a.m. in the 2nd Floor Classroom of Woodland Heights Medical Center . Present were: Mark Hicks (Quality of Life Foundation Chairman), April Snelling, Jennifer Stevens, Tara Watson, Sally McKinney, and Susie Cardwell (Vision 2020 Coordinator).

1. The Healthcare Options were reviewed it was suggestions were made on some other key people that should be invited to the committee meetings that could give helpful insight on the topics. Each person is responsible for contacting their list of people and making sure they know about the upcoming meeting.
2. It was determined that Options 3, 4, and 5 should be set as priorities and these will be the focus of our meetings. These are listed below.

Option 3 – *Increase wellness and prevention programs*

Option 4 – *Nutrition and health education, particularly for the poor.*

Option 5 – *Improve the availability of health insurance for employees, self-employed and small businesses.*

The committee decided to meet on the third Friday of each month at 9:00 a.m. at the Lufkin/Angelina County Chamber of Commerce when possible. The next meeting will be on **July 20th**.
